

## PHOENIX CHILDREN'S Care Network

### Arizona's Best Care for Kids

Phoenix Children's growing presence across the Valley means that the best care for your kids is more convenient than ever. For the fifth year in a row, Phoenix Children's was Arizona's only hospital ranked in *U.S. News & World Report's* Best Children's Hospitals.

The Phoenix Children's system of care and its physicians across the Valley cover your kids with the most comprehensive pediatric services from general pediatrics to specialty care or hospitalization, if needed.

- Need a pediatrician? Phoenix Children's Care Network is Arizona's largest pediatric physician network, comprised of pediatricians, pediatric specialists and Phoenix Children's Hospital all dedicated to providing the highest quality care for your children. Visit [www.phoenixchildrens.org](http://www.phoenixchildrens.org) to "Find a Doc" in the Phoenix Children's Care Network
- Phoenix Children's Medical Group represents the state's largest group of pediatric specialists, with experts in more than 75 subspecialties in locations across the Valley
- Emergency and Level One Pediatric Trauma services are ready to provide expert care on the main campus in Phoenix
- For inpatient care, visit our main campus in Phoenix or the new Phoenix Children's Hospital at Dignity Health Mercy Gilbert Medical Center in the East Valley
- Urgent Care centers are ready for your after-hours needs in four locations across the Valley - Mesa, Scottsdale, Glendale and Avondale.

### Care in Your Neighborhood

Is that sore throat actually strep? Is my child's hand broken? Does this asthma attack need medical attention? Phoenix Children's Urgent Care Centers are open nights, weekends and holidays with no appointment needed. Best of all, they're staffed by *pediatric* doctors and nurses trained and supervised by the Phoenix Children's Emergency Department with quick access to all the expertise of Phoenix Children's pediatric specialists. Equipment is sized right for kids. Radiology and lab services are on site for one-stop treatment.
